## Description :

With a wealth of experience in World Rally-Raid and Dakar Rally, BAS World KTM Team is the official KTM factory supported rally team. With many of our riders progressing to factory teams, we can be your introduction to rally-raid or help you take the next step.

## Service :

Offering the ultimate turnkey experience for the Dakar Rally, everything is taken care of from expert support with admin to technical logistics, full preparation and professional service to take you all the way to the finish line. The program also includes rental of the KTM 450 Rally Factory bike and hands on assistance throughout the rally. Through close collaboration with **KTM Factory** and **WP**, bikes are built to the latest standards - fast, reliable, and ready to win. Backed by a tight knit, professional, and passionate team, every rider is given the perfect setup for success. Teamwork makes the dream work.
