Description:

Compagnie Saharienne is a family-run team with 30 years of rally-raid experience, having brought 100% of its clients to the Dakar finish thanks to the reliability of its preparation and maintenance on original Dakar-chassis Toyotas. A reference on the Dakar Classic with controlled budgets, high-end support and its "Arrive & Drive" formula, it now delivers the same services on both Dakar Classic and Rally for an international, passionate clientele, eager to enjoy a unique experience (*for Dakar Rally: see dedicated page*).

Service:

- **Dakar Classic 'Arrive & Drive'** — The peace-of-mind solution on a Toyota Land Cruiser 78 or 100, prepared for high performance. Everything is taken care of: registration, trucks and support team, rest/reception area, 'factory-style' structure, supervision and race management. Optional extras: motorhome, osteopath, professional co-driver, VIP/family support with track excursions, etc.
- **Dakar Classic 'Training Camp'** — Alongside multiple Dakar winners and/or world champions such as Mathieu Baumel and François Cazalet, Compagnie Saharienne offers a Dakar Training Camp in Morocco: three days of theoretical and practical training in real conditions (race vehicle, regularity and navigation over several hundred kilometres of driving, dune crossing, roadbook, study of the rules, etc.).

Résultats:

Dakar 2026 (Classic): P5, 7, 27 out of 97 entrants | Victory Authentic | Victory Rookies | Victory of Stage 11
Dakar 2025 (Classic): 100% of entrants finished — P14, 15, 18, 19, 21 out of 96 entrants | P2 in H3 category | 5 H3 stage wins | Victory in H1 Rookies
